The Maison Collection

Venturing into the depths of creating your dream space, Asian Paints delves deep into its previous decades of experience and brings a brand new avenue of home decor. With multiple eras of understanding the Indian palate, Asian Paints is now launching a pristine line of furniture built on quality and innovation.

Adôr speaks of a collection of unique pieces that are crafted to support the new lifestyle of today. With several unconventional designs of desks, iconic dining tables and distinctive side tables, this line transcends pure comfort and brings in a blend of convenience and flair as well. Working towards a contemporary aesthetic, this collection speaks of an unusual merger of subtlety and flamboyance.

Come unearth the wonders of furniture that transform your space into your dream home!

adôr

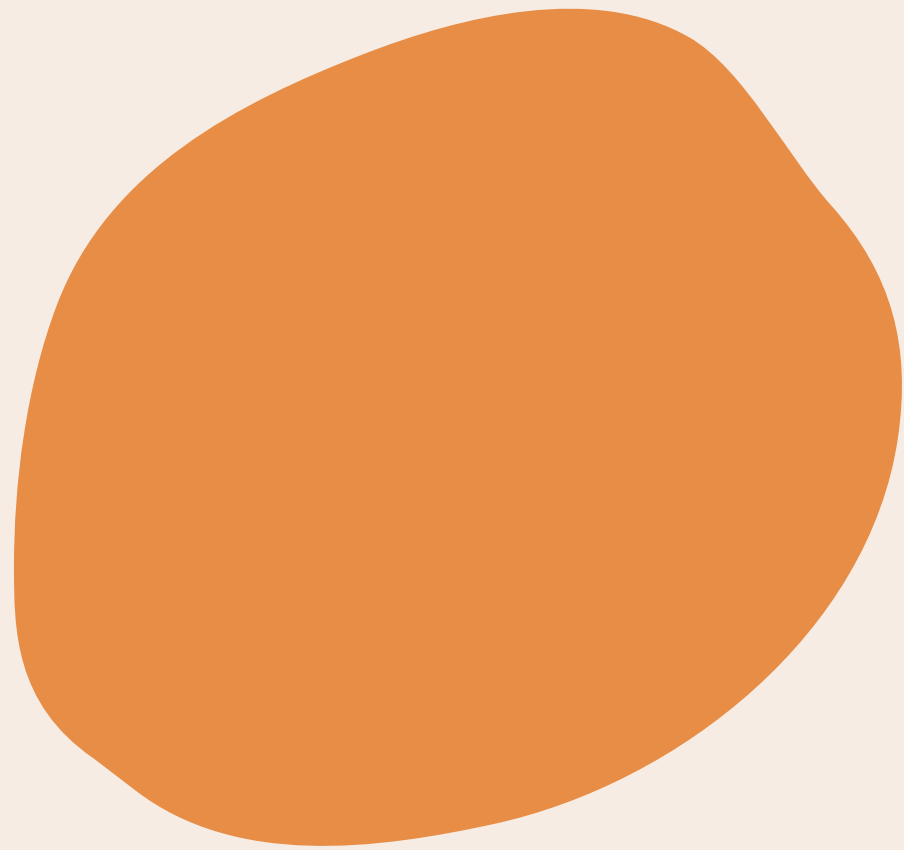

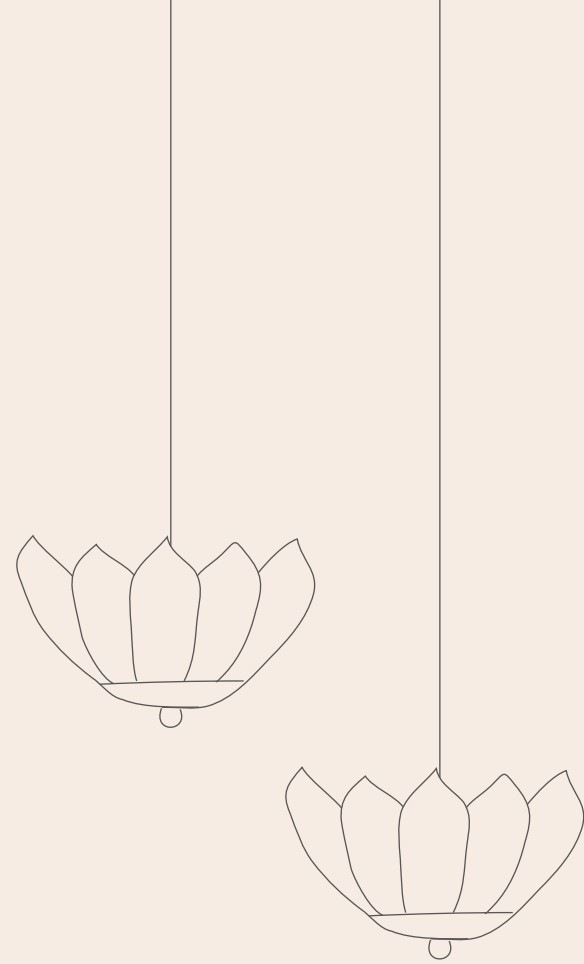

furniture by  asianpaints

Once again expanding into a bold new boulevard of interior decor, Asian Paints has branched out from its time-honoured wall decor and has instead waded through the exhilarating waters of furniture. This thrilling new escapade alludes to a legendary romance with one's own home.

With our houses quickly becoming the nucleus of our lives, Adôr brings an eclectic range of furniture that takes you on a journey through the planes of comfort and modern design. A constantly transforming haven, our homes have been modified and remodified into playing numerous roles. Making headway from one wondrous realm into another, this collection is inspired by the fantasy of life along with the quiet support of the everyday. Discover designs that welcome a world of fanciful leisure with character to brace urban living.

Reconising the importance of quality and style, this collection focuses the spotlight not only on its designs but on the amalgamation of different materials as well. Each piece highlights the versatile nature of toughened glass, powder-coated metal, laminates, chrome etc.

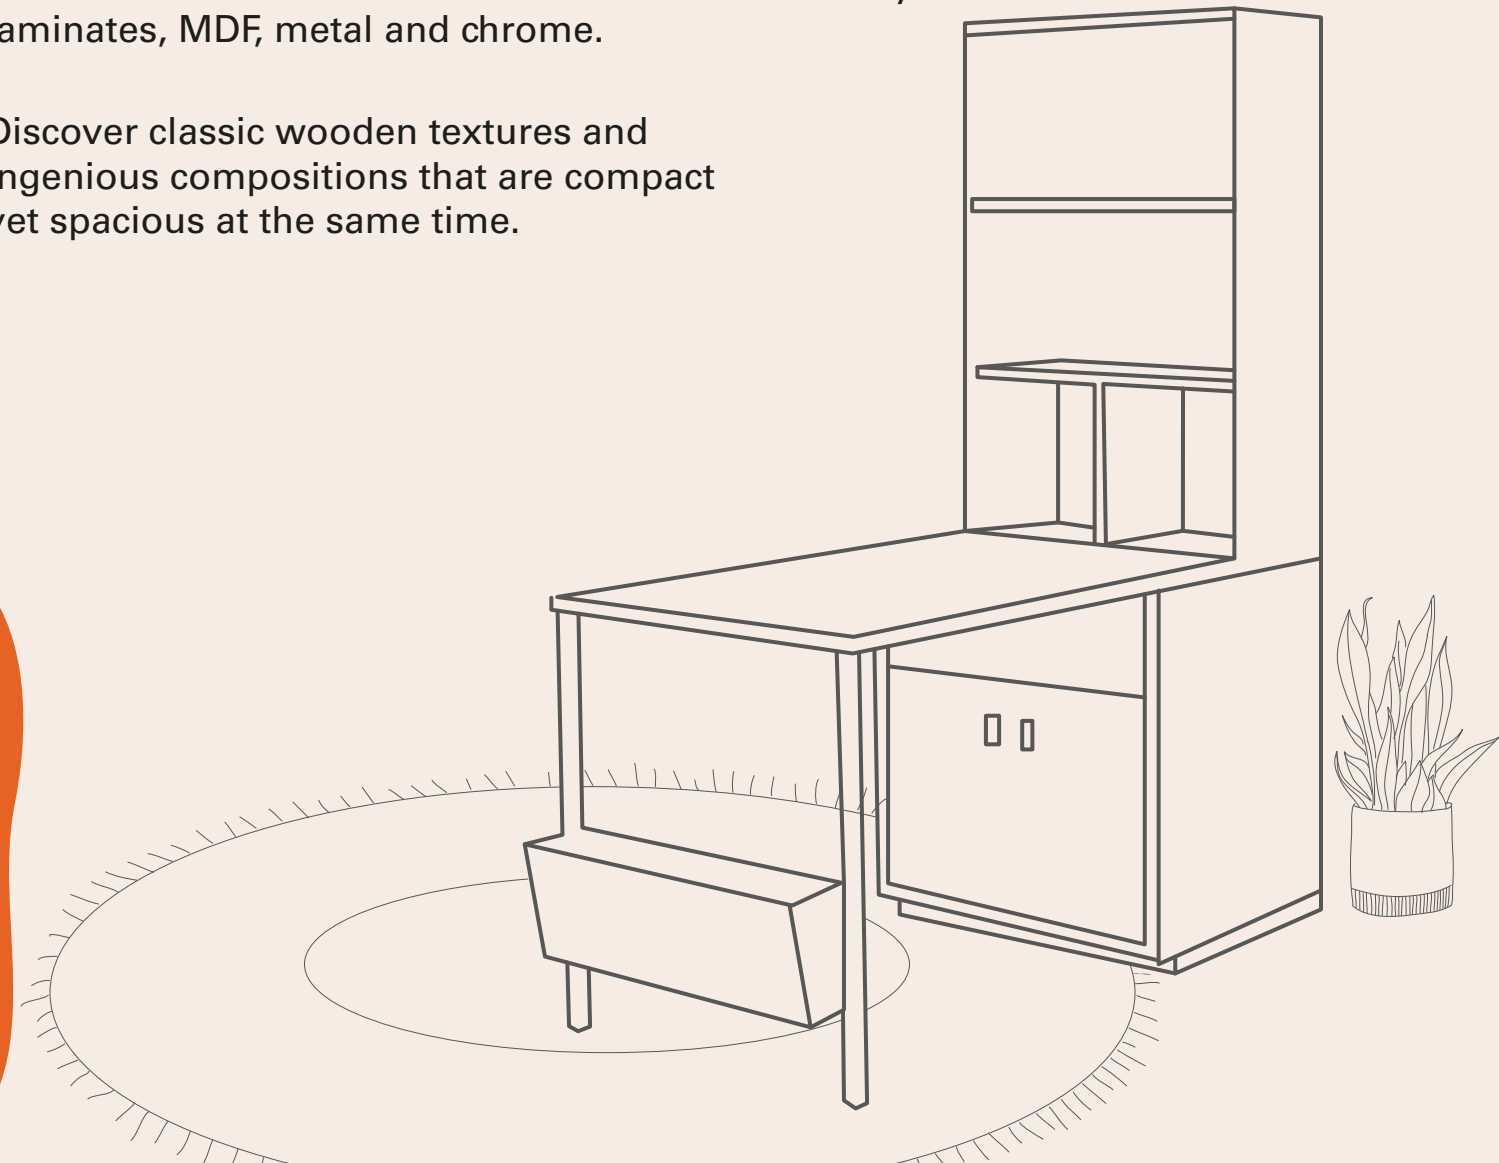

Ador pays homage to the new setting of our life at present, our abode. With each pathway of work and entertainment leading back there, this collection is a celebration of these very landscapes. Adôr tells the tale of three such ranges that are crucial to our lives. Opus boasts of worktables, chairs and bookshelves inspired by contemporary design and comfort. Safari explores the wide plains of Africa for a child's imagination to run free with the wildlife. Fantasia exudes flamboyance with a penchant for flair, bountiful adornment and splendid metalwork.

Bringing solutions to your work from home woes, the Opus and create to build showcases the finest styles and innovative designs to help you create the perfect workspace for you to focus, create and grow! A celebration of materials, this collection showcases the multifaceted versatility of laminates, MDF, metal and chrome.

Discover classic wooden textures and ingenious compositions that are compact yet spacious at the same time.
