

LET YOUR IMAGINATION MAKE A STATEMENT

*'Life should be chic, glamorous, and colourful -
and so should your home.'* - Jonathan Adler

Home is not a place, it's a feeling. It's where our stories begin. It's a place where everyday moments become memorable – a place where dreams become reality. It's a place to lose ourselves, find ourselves and express ourselves. It's a place that keeps us centered and yet allows flight of fancy.

We believe the idea of a home becomes eternal once it's given a touch of our personality and unique style. It's a canvas for self-discovery as well as self-expression.

Asian Paints Royale Designer Tiles is our promise to deliver the best possible décor for your home – giving it the character it deserves. We will deliver the colour, texture and pattern of your choice on a tile to elevate the overall aesthetic of your home. Our custom tiles solutions will give wings to your imagination – and bring your dream home to life.

GET READY FOR COMPLIMENTS, NOT COMPROMISES.

Limited by colour options? We let you choose from 2200 colour shades to find the perfect match to your interiors.

How do we do it? Through a fusion of traditional artistry and contemporary technology.
