Venturing into yet another avenue of home styling, Asian Paints has embarked on a journey to bring to you distinctive forms of brilliance through lighting solutions. We have traversed through icons of classic opulence and sensational beauty to discover the very essence of quintessential styles, only to blend them with a little romance from Indian culture.

With a focus on a handful of the most extravagant and refined tastes that have inspired homes nationwide, these collections have been designed solely based on the very foundation of what makes each of these styles so charmingly wondrous while clamouring to evoke your own design aesthetic.

This series tells the tale of three brand collections that range from absolute grandeur to ingenious class with distinguished innovation at its crux.

Nilaya, an intimate expression of majestic magnificence. Royale is a celebration of romance and sophistication while Adôr manifests the classic and modern at once.

LIGHTS LIKE
the crack of dawn.

The Spirit of Opulence

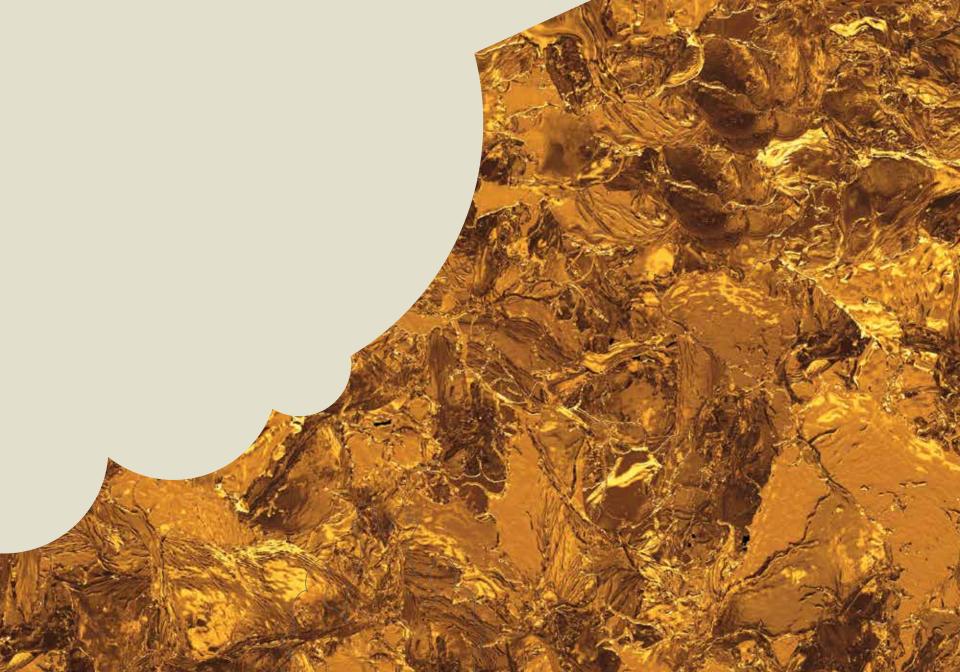

glamour for homes that are timeless

Embodied by the spirit of refined grace and opulence, the Nilaya Range is a celebration of rich history while contrasting it with modern elements. Blend that with the illustriously diverse Indian culture and you have a collection of lighting solutions that evoke glamour and comfort for homes that are timeless and classic. Our designs feature gilded elements and ornate detailing that typically display a hyper elegant and lavish style.

Culture Meets Comfort

classic brilliance of clean design

A style that highlights clarity and sophistication, the Royale Range forgoes the typically ornate and flamboyant for distinctive grace and grandeur. These designs move past excessive ornamentation, instead opting to bring out classic brilliance with clean and innovative designs. This collection draws on this very foundation and features neutral palettes, expanses of glass or detailed metalwork along with wooden accents that evoke quiet class.

LEONARDO DA VINCI

Simplicity is the ultimate sophistication.

blend of elegance & modish tastes

cohesive design that incorporates flair and elusive subtlety

Celebrating the endless romance of elegance and chic, Adôr goes beyond trends while creating an enduring style that offers both class and sophistication. While incorporating the foundation of flair and subtlety, this collection passes through the Indian prism and fuses timeless with modern for a cohesive design.

There are two things that make a room timeless; a sense of history and a piece of the future.

PENDANT LIGHTS

A blend of old and new, these pendant lights feature classic designs constructed in glass and chrome to create the paradigmatic 'classic with a modern take' that fits into the lifestyle of today.
