Pair dominant colours with dark brown or use a tone-on-tone application to make solitary spaces feel stylish. For a slight flourish, apply the Zari stencil in an interesting arrangement.
Emphasizing the Lines & Cuts

Intense colours like Passion Fruit, Burgundy Rosso and Imperial Blue emphasize the openings and cuts in the wall. A contrasting colour or texture to the inside wall creates interest in what lies behind.
INTENSELY CHARMING

For intricately layered spaces like homes, that are rich with memories, anecdotes and heirlooms, pairing lush classic colours with an antique decor gives the space a classic look. For trending colour & styling tips, check out the ColourNext Decor Directions book.
LOOK AT COLOUR THROUGH NEW EYES

Presenting Asian Paints Royale Designer Palette – a series of captivating shades handpicked by creative artists whose visual sense inspires and awes us. Our first designer palette reflects the colour aesthetic of fashion legend, Sabyasachi, whose lavish vision has transformed the runway with couture icons and interior decor with dazzling wallcovering masterpieces. Inspired by the colours of India’s floral splendour, heritage architecture and antique textiles, each shade reflects the signature Sabyasachi vintage feel, aristocratic tone and a timeless elegance.

Revel in 35 enthralling new ways to colour a home.
WHITE & CREAMS

A stunning room looks even sharper with perfectly neutral walls — not quite pink, coral or coffee — but hints of each, making warm tones look their best and filling a room with a beautiful energy.
GREYS & SIENNA

A neutral with an intriguing personality. This quiet, lustrous taupe flatters richer tones offering an elegant contrast and creates a cool, serene room experience.
**REDS & MAROON**

This deep, sensual hue adds rich depth to everything and accentuates lighter shades. There's a touch of red in its tone that hints at a sense of adventure.

Foreground & Backgrounds
If the colour of the furniture in your room is striking, choose complementary colours or a cool grey that acts as a sophisticated backdrop to the setting.
Teals and in-betweens
Paint the adjacent wall in a green or blue to boost or quieten the vivacity of a teal coloured wall. Lilac on the other hand, can have a rejuvenating effect.

Vibrant

Colours that make your space warm and joyful.
Abundance and warmth.
Passion and energy.
Colours that pull us in, like bees to nectar.
Mixing Reds and Oranges
A space with antique decor can look regal when draped in shades of red and vermilion. Add a punchy colour like Aboli or Jaiphal Dust to balance the intensity or an evocative pattern like Royale Play Disc to enhance it.
Warmth & Abundance
Warm colours make a space feel intimate. Using the right shade can make your space look luxurious yet welcoming.

One Room, Many Characters

A room can look like it belongs to a child, an adolescent or an adult, depending on how you treat the walls. Neutral shades and mature textures vs complimentary earthy tones vs bright contrasts can give the same room different characters.
Simplifying the Complexity
In order to amplify the effect of colour, simplify the decor and utilise the existing layering of walls to add interest to a space.

Paint Care Tips

Refer Product Info Sheet
Refer product information sheet to know about product details & ensure the product is applied with the right painting system & methodology.

Before painting, prepare the surface
Ensure that the surface to be painted is free from any loose paint, chalky/powdery particles, dust, chalky or grease.

Any previous growth of fungus, algae or moss to be removed thoroughly before painting by vigorous wire brushing and cleaning with water.

Surface imperfections such as holes, dents, fine cracks are to be filled with crack filler, before painting.

When not to paint – pay attention to weather conditions
Ensure not to apply paint in extreme temperature or humidity conditions or with poor ventilation. Avoid painting below 10 deg C surface temperature or/and at humidity greater than 90%.

Using primer, basecoats and additional coats
Ensure that a primer or waterproofing basecoat is used before applying the top coat of paint for desired paint performance.

Ensure that horizontal surfaces like top of windows, ledges and other horizontal surfaces are painted with an additional coat for greater protection.

Apply 2-3 coats of paint till you get the desired hiding or opacity, especially in dark shades.

Caring for your wall
Cleaning
For the best performance of the paint, ensure proper washing and cleaning of all algal & fungal growth at regular interval of six months.

Removing Stains
For removing household stains of pencil, tea, coffee, crayons, turmeric, sketch pen etc, immediately use mild detergent solution with sponge to clean the stains.
