PATTERN SELECTION

Our dedicated institutional sales team can help pick the right pattern for each project. We have colour consultants who can help you navigate the world of pattern books and combination colours. In case you cannot find the right product, we can also help match your sample from the extensive library available with our manufacturing partners. The Nilaya digital catalog is an easy reference to shortlist patterns and co-ordinates.

PROJECT PLANNING & MATERIAL DELIVERY

For large projects a dedicated relationship officer will help you with material estimation, budgeting and material delivery. Most of our product range is stocked locally and our nationwide distribution network can ensure that the material is delivered on site no matter where it is located.
