

PRODUCT CODE 5420, 5421

Royale Play Antico

Inspired by the antique and timeless, Asian Paints Royale Play Antico, a range of Italian interior finishes renders your home into heaven where the past meets the present. Its four metallic textured effects lends an ageless yet ethereal quality to any room.

PRODUCT BENEFITS

Special Effects

Four effects like Classique, Linea, Ricco & Quadro are created using a variety of tools on Asian Paints Royale Play Antico Base and Top coat paint.

Easy Application

This product has been specially formulated such that it is easy to apply, allows the tools to move smoothly without effort, retaining the pattern left by the tool.

Sheen

It has a subtle metallic finish.

Environment friendly

Asian Paints Royale Play- Antico is a water based paint for interior application. It is a stiff-paint, having pleasant odour, non-toxic, non-flammable and fully respects people's health and environment.

FINISH

COVERAGE

On normal masonry surface after brushing

**Actual coverage may vary from the quoted coverage due to factors such as method and condition of application and surface roughness and porosity

HOW TO APPLY

PRE PAINTING STEPS

PLASTER New masonry surfaces must be allowed to cure completely. It is recommended to allow 28 days as the curing time for new masonry surfaces.

CLEANING Surface should be free from any loose paint, dust or grease. Growths of fungus, algae or moss should be removed by wire brushing and water. In case of areas having excessive dampness use Asian Paints DampBlock to limit further dampness. When the underlying surface exhibits chalkiness, in spite of thorough surface cleaning, use Asian Paints Exterior Sealer.

FILLING FOR CRACKS For filling cracks upto 3mm use Asian Paints Crack Seal.

FILLING FOR HOLES & DENTS Use Asian Paints Acrylic Wall Putty or white cement and fine sand in the ratio 1:3.

Royale Play Antico should not be applied on surfaces / substrates that are subjected to continuous seepage or dampness.
