**Product Code 1031**

**Professional Premium Interior Emulsion**

**Product Benefits**

- **It is a truly Green product**
  - VOC conforms to the internationally accepted G3-11 (Green Seal) standards and is LEED compliant. It is developed exclusively for project sales.
- **Superior Hiding**
  - Best in class hiding.
- **Finish**
  - It has a rich matt finish.
- **Anti Fungal**
  - Anti fungal additives prevents growth of fungus.

**Product Features**

- **Washability**
  - Best in Class
    - High
    - Medium ✓
    - Low
- **Colors Available**
  - 600+* ✓
  - *Currently available in more than 600 shades as per the Asian Paints Colour Spectra.
- **Coverage**
  - On normal masonry surface after brushing
    - 1 Coat
      - 200 - 280 sq.ft/ltr**
    - 2 Coats
      - 120 - 140 sq.ft/ltr**

**Available Packs**

- 20 ltr

**Shelf life:** 2 years from date of manufacture in original tightly closed containers away from direct sunlight and excessive heat.

**How to Apply**

**Pre painting steps**

- **Plaster:** New masonry surfaces must be allowed to cure completely. It is recommended to allow 28 days as the curing time for new masonry surfaces.
- **Cleaning:** Surface should be free from any loose paint, dust or grease. Growth of fungus, algae or moss should be removed by wire brushing and water. In case of areas having excessive dampness use Asian Paints SmartCare Damp Block to limit further dampness. When the underlying surface exhibits chalkiness, despite thorough surface cleaning, use Asian Paints Exterior Sealer (X1).
- **Filling for cracks:** For filling cracks upto 3mm use Asian Paints SmartCare Crack Seal.
- **Filling for holes & Dents:** In case of dents and holes use Asian Paints Acrylic Wall Putty or white cement and fine sand in the ratio 1:3.

**Professional Premium Interior Emulsion should not be applied on surfaces / substrates that are subjected to continuous seepage or dampness.**

**Paint application process**

**ADDITIONAL INFORMATION**

**VOC CONTENT**

**LOW VOC CONTENT**

Asian Paints Professional Premium Interior Emulsion meets LEED VOC criteria as per Indian Green Building Council Version 1 (Tested at Shriram Institute of Industrial Research)

**POST PAINTING CARE**

For best performance ensure dry dust cleaning at regular intervals. Allow drying time of 3 weeks for proper film formation before any sponge cleaning with mild soap solution.

**TECHNICAL DETAILS**

a. **Drying time:** Surface dry time 30 min  
Recoatability 4 hours  
b. **Sheen levels:** 2 - 5 at 60 deg GH  
c. **Flash point IS101/1987 Part 1, Sec 6:** NA, non-flammable  
d. **Stability of thinned paint:** To be used within 24 hours

**PRECAUTIONS**

- Do not apply when ambient temperature is less than 10°C or if the temperature might drop to this level within 4 hrs of application.  
- Do not over-thin or over-extend the brush.  
- Tint using Asian Paints machine colourants only  
- Stir well and strain before use.  
- Tinted paints need thorough shaking immediately after tinter addition as well as before use.

**SAFETY FEATURES**

- Kindly refer to the MSDS for Asian Paints Professional Premium Interior Emulsion which gives detailed information on safety measures while handling the paint, which is available on request.  
- Store the container with the lid tightly closed in an upright position, in a cool, dry place  
- Keep out of reach of children and away from eatables.  
- May be harmful if swallowed. In case of ingestion seek immediate medical attention.  
- Wear eye protection during application. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.  
- In case of skin contact immediately wash skin with soap and plenty of water. Get medical attention if irritation develops or persists.  
- Do not breathe vapour or spray. It is recommended to wear suitable nose pad during sanding and surface preparation to avoid dust inhalation  
- Do not pour leftover paint down the drain or in water courses.  
- In the event of spills, contain spillage using sand or earth.  
- No added Lead, Mercury or Chromium compounds.
