

Amit Syngle

Managing Director and CEO

It is with great pride and purpose that I would like to share the AP Charter:

This charter includes the voice of every employee in the Company and indeed represents them. Despite the challenges during the pandemic, the employees decided to create the future of their dreams. The final outcome, after days of deliberation and co-creation, is extremely energising and allows the Company to delight the customer. It truly embodies the spirit of the Company and what every stakeholder would vouch for.

The values that would be pivotal in giving life to the charter were thoughtfully crafted and shared with the entire organisation. I am very happy to say that with customer at the core of everything we do and these values fuelling our journey, you can indeed count on us.

I present to you the AP charter, a charter which is timeless and one which every stakeholder would see his desires being addressed.
