Mumbai, October 24, 2017: Asian Paints today announced their financial results for the quarter and six months ended September 30, 2017.

"The Decorative business in India registered high single digit volume growth in the current quarter. Hence there was a recovery from Q1 which was affected by the impact of destocking due to GST. However the impact of GST continued through July and a recovery of sorts was seen only in September. On a sequential basis, material prices remained stable, helped to an extent by the strong currency. The Automotive coatings JV (PPG-AP), witnessed subdued demand in the Auto OEM and General Industrial business segment. The performance of Industrial Coatings JV (AP-PPG) was satisfactory.

In the International Operations, Units in Nepal, Bangladesh, Oman and Bahrain witnessed good topline growth. However, currency devaluation in Egypt and forex unavailability in Ethiopia, impacted the overall performance of the International operations. Both the segments within the Home Improvement business - the Kitchen business under Sleek and the Bath business under Ess Ess, performed significantly better than the first quarter" said K.B.S. Anand, Managing Director & CEO, Asian Paints Limited.

Consequent to the introduction of Goods and Services Tax (GST) with effect from 1st July, 2017, Central Excise, Value Added Tax (VAT) etc. have been subsumed into GST. In accordance with Indian Accounting Standard - 18 on Revenue and Schedule III of the Companies Act, 2013, unlike Excise Duties, levies like GST, VAT etc. are not part of Revenue. The figures and growth percentages given herein have been suitably adjusted to make the revenue from operations for periods upto 30th June 2017 comparable.
